ELIGIBILITY FOR CRITICAL ILLNESS - EMPLOYEE COVERAGE

Eligible Employees

Subject to the conditions of eligibility set forth below, and to all of the other conditions of the Plan, You are eligible if You are in an eligible class of Employees and are an active Full-Time Employee.

If You are a partner or proprietor, We will treat You like an Employee if You meet the Plan's conditions of eligibility.

Conditions of Eligibility

You are eligible for Critical Illness coverage if You are;

- Legally working in the United States, or working outside of the United States for a United States based employer in a country or region approved by Us; and
- Regularly working at least the number of hours in the normal work week set by the Employer (but not less than 20 hours per week) at: (1) the Employer's place of business; (2) some place where the Employer's business requires You to travel; or (3) any other place You and the Employer have agreed upon for the performance of occupational duties.

You are **not** eligible for Critical Illness coverage if You are a temporary or seasonal Employee.

Enrollment Requirement: If You must pay all or part of the cost of Your coverage, We will not cover You until You enroll and agree to make the required payments.

Proof of Insurability: If You: (1) do not meet this Plan's enrollment requirement within 31 days after You first become eligible; or (2) enroll after You previously had coverage which ended because You failed to make a required payment, We will ask for Proof of Insurability. And, You will not be covered until We approve that Proof of Insurability in writing.

Part or all of Your insurance amounts may be subject to Proof of Insurability. The Schedule of Benefits explains if and when We require Proof of Insurability. You will not be covered for any amount that requires such Proof of Insurability until You give the Proof of Insurability to Us and We approve that Proof of Insurability in writing.

If Your active Full-Time service ends before You meet any Proof of Insurability requirements that apply You will still have to meet those requirements if You are later re-employed by the Employer or an associated company.

B005.0043

All Options

The Waiting Period If You are in an eligible class, You are eligible for Critical Illness coverage under this Plan after You complete the service waiting period, if any, established by the Employer.

B005.0045

All Options

Multiple Employment If You work for both the Employer and a covered associated company, or for more than one covered associated company, We will treat You as if only one firm employs You. You will not have multiple Critical Illness coverages under this plan. But, if this Plan uses the amount of Your earnings to set the rates, determine class, figure coverage amounts, or for any other reason, such earnings will be figured as the sum of Your earnings from all covered Employers.

B005.0046

All Options

When Employee Coverage Starts

Your eligibility date is the date You have met all of the conditions of eligibility.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage will start. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not be scheduled to start until You send Us Proof of Insurability. Once We have approved such Proof of Insurability, Your coverage is scheduled to start on the effective date shown in the endorsement section of Your evidence of insurability form.

Any part of Your coverage which is subject to Proof of Insurability will not start unless You send such Proof of Insurability to Us, and We approve it in writing. Once We have approved it, that part of Your coverage is scheduled to start on the effective date shown in the endorsement section of Your evidence of insurability form. If Your active service ends before You meet any Proof of Insurability requirements that apply You will still have to meet those requirements if You are later re-employed by the Employer or an associated company.

On the date all or part of Your coverage is scheduled to start, You must be: (1) Actively At Work; (2) fully capable of performing the major duties of Your regular occupation; and (3) working Your regular number of hours. In that case, Your coverage will start at 12:01 A.M. Standard Time for Your place of residence on that date. In any other case, We will postpone the start of Your coverage until the date You: (a) return to Active Work; (b) are working Your regular number of hours; and (c) are fully capable of performing the major duties of Your regular occupation. Sometimes, a scheduled effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; during a layoff of less than 180 days in duration; during an approved leave of absence not due to sickness or injury, of 90 days or less; or on a day during a period of absence that is less than 7 days in duration; and if: (a) You were fully capable of performing the major duties of Your regular occupation for the Employer on a full-time basis at 12:01 AM Standard Time for Your place of residence on the scheduled effective date; and (b) You were performing the major duties of Your regular occupation and working Your regular number of hours on Your last regularly scheduled work day; Your coverage will start on the scheduled effective date.

Delayed Effective Date For Voluntary Critical Illness Coverage: If You are not Actively At Work on the date Your Voluntary Critical Illness coverage is scheduled to start due to Sickness or Injury, We will postpone coverage for an otherwise covered loss due to that Sickness or Injury. We will postpone such coverage until You complete ten days in a row without missing a work day due to that Sickness or Injury in which You are: (1) Actively At Work; (2) fully capable of performing the major duties of Your regular occupation; and (3) working Your regular number of hours. Coverage for an otherwise covered loss due to all other conditions will start on the date You are: (a) Actively At Work; (b) fully capable of performing the major duties of Your regular occupation; and (c) working Your regular number of hours.

Exception to When Employee Coverage Starts: If You are not capable of performing the major duties of Your regular occupation for Your Employer on a full-time basis on the date Your coverage is scheduled to start, You will be insured for Critical Illness insurance if:

1. You were insured under the prior insurer's group critical illness policy at the time of the transfer;
2. You are a member of an eligible class; and
3. premiums for You were paid up to date; and
4. You are not receiving or eligible to receive benefits under the prior insurer's group critical illness policy.

Any Critical Illness benefit payable will be the lesser of:

1. the Critical Illness benefit payable under the Group Policy; or
2. the critical illness benefit payable under the prior insurer's group critical illness policy had it remained in force.

The Critical Illness benefit payable will be reduced by any amount paid by the prior insurer's group critical illness policy.

All other provisions under this Policy will apply under the Exception to When Employee Coverage Starts.

You will remain insured under this provision until the first to occur of:

1. the date You are fully capable of performing the major duties of Your regular occupation for Your Employer on a full-time basis;
2. the date insurance terminates for one of the reasons stated in When Employee Coverage Ends;
3. the last day of a period of 12 consecutive months which begins on the Policy effective date; or
4. the last day You would have been covered under the prior insurer's group critical illness policy, had the prior plan not terminated.

B005.0078

All Options

When Employee Coverage Ends

Your coverage will end on the first of the following dates:

- The date in which Your active service ends for any reason. Your active service ends when You are no longer: (1) Actively At Work; and (2) working Your regular number of hours.
- The date You stop being an eligible Employee under this Plan.
- The date You are no longer working in the United States or working outside of the United States for a United States based Employer in a country or region approved by Us.

Your Right to Continue Critical Illness Coverage During a Family Leave of Absence

Important Notice: This section may not apply to Your Employer's Plan. You must contact Your Employer to find out if he or she must allow for a family leave of absence under federal law. If he or she must allow for such leave, this section applies.

If Your Coverage Would End: Your Critical Illness coverage would normally end because You cease work due to an approved leave of absence. But, You may continue Your coverage if the leave has been granted: (1) to allow You to care for a seriously injured or ill spouse, child or parent; (2) after the birth or adoption of a child; (3) due to Your own serious health condition; or (4) because of a serious Injury or illness arising out of the fact that Your spouse, child, parent or next of kin who is a covered service member is on active duty, or has been notified of an impending call or order to active duty, in the Armed Forces in support of a contingency operation. To continue Your coverage, You will be required to pay the same share of the premium as You paid before the leave of absence.

When Continuation Ends: Continued coverage will end on the earliest of the following:

- The date You return to Active Work.
- In the case of a leave granted to You to care for a covered service member, the end of a total leave period of 26 weeks in one 12 month period. This 26 weeks total leave period applies to all leaves granted to You under this section for all reasons. If You take an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
- In any other case, the end of a total leave period of 12 weeks in any 12 month period.
- The date on which Your Employer's Plan is terminated or You are no longer eligible for coverage under this Plan.
- The end of the period for which premium has been paid.

Definitions: As used in this section, the terms listed below have the meanings shown below:

- **Active Duty:** This term means duty under a call or order to active duty in the Armed Forces of the United States.

- **Covered Service Member:** This term means a member of the Armed Forces, including a member of the National Guard or Reserves, who for a Serious Injury or Illness is: (1) undergoing medical treatment, recuperation or therapy; (2) otherwise in Outpatient Status; or (3) otherwise on the temporary disability retired list.

Eligible Dependents for Dependent Critical Illness Coverage

B005.0064

All Options

Eligible Dependents for Voluntary Dependent Critical Illness	Your eligible dependents are Your spouse and unmarried dependent children from birth until they reach age 26.
---	---

B005.0080

All Options

Adopted Children and Step-Children

Your "unmarried dependent children" include Your legally adopted children, and Your step-children. But, Your step-children must depend on You for most of their support and maintenance. We treat a child as legally adopted from the time the child is placed in Your home for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

B005.0065

All Options

Dependents Not Eligible

We exclude any dependent who is on active duty in any armed force. And, We exclude any dependent who is covered by this Plan as an Employee.

A child may be an eligible dependent of more than one Employee who is insured under this Plan. In that case, the child may be insured for dependent Critical Illness benefits by only one Employee at a time.

B005.0066

Handicapped Children

You may have an unmarried child who is: (a) incapable of self-sustaining employment by reason of a mental or physical handicap or developmental disability; and (b) chiefly dependent upon You for support and maintenance. In that case such a child may remain eligible for dependent benefits past the age limit subject to the conditions shown below.

- His or her condition started before he or she reached the age limit.
- He or she became covered for dependent Critical Illness benefits before he or she reached the age limit, and remained continuously covered until he or she reached the age limit.
- He or she stays unmarried and remains: (i) incapable of self-sustaining employment; and (ii) dependent upon You for most of his or her support and maintenance.
- You send Us written proof, and We approve such proof, of the child's disability and dependence within 31 days from the date he or she reaches the age limit. After the two year period following the child's attainment of the age limit, We can ask for periodic proof that the child's condition continues, but We cannot ask for this proof more than once a year.

The child's coverage ends when Your coverage ends.

B005.0067

Proof of Insurability

We require Proof of Insurability that a dependent is insurable if You: (1) enroll a dependent who was previously declined or would have been considered a late enrollee under a group critical illness coverage plan providing dependent coverage which this Plan replaced; (2) enroll a dependent and agree to make the required payments after the end of the Enrollment Period.

A dependent is not covered by any part of this Plan that requires such Proof of Insurability until You give Us this Proof of Insurability and We approve it in writing.

If Your dependent coverage ends for any reason, including failure to make the required payments, Your dependent will not be covered by this Plan again until You give Us new Proof of Insurability that they are insurable and We approve that Proof of Insurability in writing.

B005.0069

All Options

When Dependent Coverage Starts

In order for Your dependent coverage to start, You must already be covered for Employee coverage, or enroll for Employee and dependent coverage at the same time.

Subject to the Exception below and to all of the other terms of this Plan, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents and agree to make any required payments. If You do this on or before Your Eligibility Date, the dependent's coverage is scheduled to start on the later of Your eligibility date and the date you become covered for Employee coverage.

If You do this within the Enrollment Period, the coverage is scheduled to start on the date You become covered for Employee coverage.

If You do this after the Enrollment Period ends, Your dependent coverage is subject to Proof of Insurability and will not start until We approve that Proof of Insurability in writing.

Once You have dependent child coverage for Your Initial Dependent child(ren) any Newly Acquired Dependent children will be covered as of the date he or she is first eligible.

If Proof of Insurability is required for dependent benefits as explained above, those benefits will not be scheduled to start until You give Us Proof of Insurability that the dependent is insurable. Once We have approved that Proof of Insurability, those benefits will be scheduled to start on the effective date shown in the endorsement section of Your application.

B005.0070

All Options

Exception We will postpone the effective date of a dependent's, other than a newborn child's, coverage if, on that date, he or she is: (1) confined to a hospital or other health care facility; (2) home confined; or (3) unable to perform two or more Activities of Daily Living. In that case, We will postpone the effective date of his or her coverage until the day after the date: (a) of his or her discharge from such facility; (b) his or her home confinement ends; or (c) he or she is no longer requires assistance with two or more Activities of Daily Living. If a dependent was covered under a prior plan at transfer, this language will not apply to the amount of coverage that was in force with the prior plan.

B005.0071

When Dependent Coverage Ends

Dependent coverage ends for all of Your dependents when Your Employee coverage ends. Dependent coverage also ends for all of Your dependents when You stop being a member of a class of Employees eligible for such coverage. And, it ends when this Plan ends, or when dependent coverage is dropped from this Plan for all Employees or for Your class.

If You are required to pay all or part of the cost of dependent coverage, and You fail to do so, Your dependent coverage ends. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

Your dependent's coverage ends when he or she stops being an eligible dependent. This happens to a child at 12:01 A.M. on the date the child attains this Plan's age limit, when he or she marries, or when a step-child is no longer dependent on You for support and maintenance. It happens to a spouse: (1) when a marriage ends in legal divorce or annulment; and (2) at 12:01 A.M. on the date the spouse reaches the limiting age, if applicable.

B005.0075

CRITICAL ILLNESS COVERAGE

This Certificate includes the Schedule of Benefits form. Your class and benefit options are shown in the Schedule of Benefits that applies to You.

Subject to all of this Plan's terms, We will pay the benefits described below if a Covered Person is Diagnosed with a listed Critical Illness on or after the date he or she becomes covered by this Plan.

This Plan pays no Critical Illness benefits for any condition other than those listed below in Covered Critical Illnesses.

B005.0083

This Plan will pay a benefit based on the benefit amount for which a Covered Person is covered. The benefit will be subject to all of the terms of this Plan.

This Plan only pays benefits for the occurrence of the Critical Illnesses listed and defined in the Covered Critical Illnesses section below.

Each Critical Illness must occur while the Covered Person is covered by this Plan. This Plan deems each Critical Illness to occur on the date described for each Critical Illness in the Covered Critical Illnesses section below.

Where one Critical Illness is caused by or contributes to another Critical Illness, only one benefit is payable. We will pay the greater of the benefits payable. If the amount payable for each Critical Illness is the same, You may choose which benefit to receive.

This Plan may pay a different level of benefits for the First Occurrence and the Recurrence of a Critical Illness. For some Critical Illnesses We pay no benefits for a Recurrence. The benefit levels are shown in the Schedule of Benefits.

By First Occurrence We mean the first time a Covered Person is Diagnosed with a Critical Illness while insured by this Plan. By Recurrence, We mean the second time a Covered Person is diagnosed with the same Critical Illness while insured by this Plan. We pay no benefits for occurrences beyond the second time.

Pre-Existing Conditions A pre-existing condition is a Injury or Sickness, whether diagnosed or misdiagnosed, and any symptoms of it, for which in the 12 months before a person becomes covered by this Plan he or she: (1) receives advice or treatment from a Doctor; (2) undergoes diagnostic procedures, other than routine screening in the absence of symptoms or suspicion of disease process by a Doctor; (3) is prescribed or has taken prescription drugs; or (4) receives other medical care or treatment, including consultation with a Doctor. This Plan will not pay benefits for a Critical Illness that is caused by, or results from, a Pre-Existing Condition if the Critical Illness occurs during the first 12 months the person is covered by this Plan.

This Plan also limits the Covered Person's benefits under this Plan if a Critical Illness that is caused by, or results from, a Pre-Existing Condition occurs after: (a) a change which provides for an increase in the benefits payable by this Plan; or (b) a change in Your benefit election which increased the benefit payable by this Plan, In this case, Your benefit will be limited to the amount that would have been payable had the change not taken place. This limit does not apply if the Critical Illness occurs after the Covered Person completes at least one full day of active work after the change has been in force for 12 months in a row.

If This Plan Replaces Another Plan

This Plan may be replacing a similar plan that the Employer had with some other carrier. In that case, the Pre-Existing Condition limitation will not apply to any Covered Person who: (1) was covered under the Employer's old plan on the day before this Plan started; and (2) has met the requirements of any Pre-Existing Condition or limitation of the old plan; and (3) in Your case, are Actively At Work on a Full-Time basis on the effective date of this Plan.

This Plan will credit any time used to meet the old plan's Pre-Existing Condition provision toward meeting this Plan's Pre-Existing Condition provision, if the Covered Person: (1) was covered under the old plan when it ended; (2) enrolls for coverage under this Plan on or before this Plan's effective date; and (3) is Actively Working on the effective date of this Plan; but (4) has not fulfilled the requirements of any Pre-Existing Condition provision of the old plan.

But, this Plan limits a Covered Person's benefit under this Plan if: (1) it is more than the Critical Illness benefit for which he or she was covered under the old plan; (2) the illness is due to a Pre-Existing Condition; and (3) this Plan pays benefits because this Plan credits time as explained above. In this case, this Plan limits the benefit to the amount the Covered Person to which he or she would have been entitled under the old plan.

This Plan deducts all payments made by the old plan under an extension provision.

CERTIFICATE RIDER - Portability Privilege

Effective on the latter of (i) the original effective date of the Policy; or (ii) the effective date of any applicable amendment requested by the Policyholder and approved by the Insurance Company, this rider amends this Plan by the addition of the following:

PORTABILITY PRIVILEGE

Definition: As used in this provision, the terms "port" and "to port" mean to choose a portable certificate of coverage which provides group Critical Illness coverage.

Portability Conditions: Portability is subject to all of the Conditions described below.

- You may port if Your coverage under this Plan ends because: (1) You have terminated employment; (2) You stop being a member of an eligible class of Employees; or (3) this Plan ends.
- You may **not** port Your coverage if You have reached Your 70th birthday on the date coverage under this Plan ends.
- You may **not** port coverage for any of Your dependents if he or she has reached his or her 70th birthday on the date coverage under this Plan ends.
- You may **not** port if coverage under this Plan ends due to Your failure to pay any required premium.

Portability Options: You may port Your Critical Illness coverage, subject to any benefit amount reductions based on age, less the amount of any Critical Illness benefits paid by this Plan.

You may port Your dependent's Critical Illness coverage, subject to any benefit amount reductions based on Your age, less the amount of any Critical Illness benefits paid by this Plan.

You may port: (1) Your coverage only; (2) Your coverage and coverage of Your covered Spouse; (3) Your coverage and the coverage of all of Your covered dependents; or (4) if You are a single parent, Your coverage and the coverage of all of Your covered dependent children. No other combinations will be allowed.

A dependent must be covered as of the date Your coverage under this Plan ends in order to be eligible for portability.

If You die while covered for dependent Critical Illness coverage, Your Spouse may port Your dependent Critical Illness coverage as described above. Your Spouse and dependent children must be covered under this Plan on the date of Your death. But, this option is not available if: (1) there is no surviving Spouse; or (2) Your surviving Spouse has reached his or her 70th birthday on the date of Your death.

The Portable Certificate of Coverage: The portable certificate of coverage provides group Critical Illness. The benefits provided by the portable certificate of coverage are the same as the benefits provided by this Plan. The portable certificate provides seamless coverage. Benefit limits, maximums and timeframes do not reset when someone becomes covered under the portable certificate. The premium for the portable certificate of coverage will be based on: (1) the Covered Person's rate class under this Plan; and (2) Your surviving Spouse's age bracket as shown in the Critical Illness Portability Coverage Premium Notice.

How to Port: You or Your surviving Spouse must: (1) apply to Us in writing; and (2) pay the required premium. You or Your surviving Spouse must do this within 31 days from the date Your coverage under this Plan ends. We will not ask for proof that You or Your surviving Spouse are in good health.

The following notice applies if your plan is governed by the Employee Retirement Income Security Act of 1974 and its amendments. This notice is not part of the Guardian plan of insurance or any employer funded benefits, not insured by Guardian.

STATEMENT OF ERISA RIGHTS

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions By Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Statement of Erisa Rights (Cont.)

Enforcement Of Your Rights If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Group Health Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA").

Definitions "Adverse Benefit Determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

"Group Health Benefits" means any accident, cancer, critical illness, specified disease or hospital indemnity coverages which are a part of this plan.

Timing For Initial Benefit Determination The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Claims. Guardian will provide a benefit determination not later than 30 days after receipt of a claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 30 days after receipt of the claim.

The time period for completing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 30-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination If a claim is denied, Guardian will provide a notice that will set forth:

- the specific reason(s) for the adverse determination;
- reference to the specific plan provision(s) on which the determination is based;

Group Health Benefits Claims Procedure (Cont.)

- a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
- a description of the plan's claim review procedures and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination;
- identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request.

Appeal of Adverse Benefit Determinations

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;
- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
